ADDICTION & CO-OCCURRING MENTAL HEALTH DISORDERS

Addiction and mental health challenges often go hand in hand. At this forum, experts will discuss how conditions like anxiety, depression, and PTSD can impact recovery—and what integrated treatment and self-care strategies work best. You will also hear from a person in long-term recovery who will share his experience addressing co-occurring disorders. Hope and healing are possible when both are addressed together. Come learn and grow with us!

A FREE NARCAN TRAINING WITH COMPLIMENTARY NARCAN KIT FOR IN-PERSON ATTENDEES WILL PRECEDE THE FORUM AT 5:30. TO REGISTER FOR THE NARCAN TRAINING, GO TO: <https://faceaddictionnow.org/narcantraining>
